**Quotation Terms & Conditions of Sale:**

1. US Digital Terms & Conditions of Sale apply, see <http://www.usdigital.com/company/legal/terms-conditions/>, **which apply to all sales, and include provisions regarding Acceptance, Terms of Payment, Cancellation and Charges, Washington Sales Tax, International Duties and Taxes, Shipping, Returns, Repairs, Warranty, Liability, Delays, Inspection and Acceptance, Life Support, Confidentiality, and Governing Law.**

2. Cancellations, returns and PO changes may incur a fee.

3. Shipping charges, duties and taxes are not included.

4. Quote will be honored for 60 days from quote date.

**Shipping:**

We usually ship the same business day, when requested. We typically keep a large inventory of parts to prevent delays. However, large quantities may ship right away or may require a lead time of up to 12 weeks. Therefore, scheduling large orders in advance is highly recommended. US Digital ships Monday through Thursday, EXW Vancouver, WA. US Digital offers overnight, 2 day, 3 day or ground shipping methods. Domestic and International orders may be shipped by UPS unless otherwise defined by customer at time of order. Shipping by carriers other than UPS requires the buyer to pay shipping charges with their own carrier account. For UPS Shipping see:

<http://www.usdigital.com/company/ordering/shipping/>

**RoHS Compliance Policy:**

When RoHS compliant parts are required, the following statement must be noted on each purchase order: "RoHS parts required." If there is more than one line item on the purchase order, please specify which items must be RoHS compliant. If "RoHS parts required" is not stated at the time of ordering, parts may or may not be RoHS compliant.

**Modifications:**

Orders are built to Customer's specifications; therefore, additional fees may apply for cancellations, order changes, and returns unless due to a manufacturer's error. Large orders may only be returned if due to a manufacturer's error. We strongly recommend that the first shipment consist of a prototype. See our Terms & Conditions for further details.

**Volume Discount:**

Quantity Price Discounts are available for orders to be scheduled throughout one year. All orders receiving a quantity price discount must be shipped to the Customer within 12 months of the order date. Quantities received in each shipment must include at least 10% of the total quantity required for the discount. If the quantity necessary for the price break is not received, the Customer agrees to promptly pay the price difference.
